

New Fuel Tanks

Subject: New bolt on fuel tank and tank stand

Units

Affected: All large and small frame Stander, Sentar Sport, Stander Rapid Height and Velke Pistol Grip units with S/N 45310 and above. Exceptions are 32" Stander and Velke PG.

Situation: Product improvements, eliminates unique strap setup of old version. New tank has larger fill neck, cup holder and a cleaner design.

The Fix: Units in the field can be changed over when necessary. Along with the tank, and new hardware a template to drill the mounting holes in the existing tank stand will allow the new tank to be used as a replacement on all older units. Order kit number 95410004, fuel tank kit, bolt-on tank. Smaller decks in need of the fuel tank GG protector plate must order 93410266.

Claim

Procedure: None, product improvement
