WS Hydraulic Pumps

Subject: Faulty Parker Hydro Pumps.

Units

Affected: Large frame Standers (48", 52" and 61") beginning with serial number 38391 and above.

Situation: Due to many warranty claims and problems with the Parker Pumps, WMI has changed back to Hydro Gear pumps on large framed Standers

The Fix: Any Stander with a defective Parker pump will be replaced with Hydro Gear pumps for both left 31490005 and right 31490004.

Claim

Procedure: File normal warranty claim, please label defective pump.
