Hydro Gear Pumps

Subject: Part number change for Hydro Gear 10A pumps

Units

Affected: All WS, WSES, RH and WVPG

Situation: Hydro Gear has made an internal change to the 10A pump and has requested OEM's to change their part number for tracking purposes.

The Fix: 31490004 is now 31490026
31490005 is now 31490027
Please update your parts list to reflect the new part numbers.
